Part III DETAILED ACTION

Notice to Applicant(s)

1. This application has been examined. Claims 1-35 are pending.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 30 and 35 are rejected under 35 U.S.C. 102(b) as being anticipated by Aikens et al (Aikens) (U. S. 5,414,494).

With respect to claims 30 and 35, Aikens discloses a method of printing a job in a printing machine (30) from a remotely located job originating station (157), the job originating station having a user interface for inputting job control instructions for a print job (column 6, lines 17-32) comprising programming the one or more confirmation destinations into the job originating station (column 6, lines 34-41); processing at least a portion of the print job at the printing machine (column 4, line 65 to column 5, line 8), and in response to the processing, transmitting with the job originating station the job status information to one of the confirmation destinations (column 6, lines 34-41).
